

# Sponsorship

Sponsor this KY Junior Cattlemen event and help support our continuing outreach for youth in the cattle industry!

**October 6-8**  
**Morehead State**  
**University Farm**

To commend the members who compete at the Fall Classic, the event will be concluded by a banquet and awards presentation. To make this a successful endeavor we need sponsors from around the state who support the beef cattle industry and look forward to its bright future.

## Our goal is to raise \$6,000.

With your help, we hope to achieve our goal this year!

***Don't miss out!* DEADLINE IS SEPTEMBER 30!**
