

Kentucky Junior Cattlemen's Association
176 Pasadena Drive
Lexington, KY 40503
(859) 278-0899

Dear KJCA Supporter:

The Kentucky Junior Cattlemen's Association Fall Classic will take place September 24th-26th at the Blue Grass Stockyards in Lexington. This annual event, which began in 2004, brings junior cattlemen together from all over Kentucky to exhibit in a heifer and bull show while also competing in fun-filled activities and contests.

To commend the members who compete at the Fall Classic, the event will be concluded by a banquet and awards presentation. To make this a successful endeavor we need sponsors from around the state who support the beef cattle industry and look forward to its bright future.

Our goal is to raise \$6,000. With your help, we hope to achieve our goal this year!

In return for your generosity, you will receive acknowledgment throughout the event as well as online and in the 2020 KJCA program. Your company may also hang signs or banners at the Fall Classic if you so choose.

There are five levels of sponsorship, or you may donate any amount you choose. The presenting sponsor level has already been filled. Donating to the KJCA/KDA Fall Classic is tax deductible. If you decide to sponsor the KJCA/KDA Fall Classic, please send this letter with the level circled or amount written in to the address above, checks can be made payable to KJCA.

With your generous support, the Kentucky Cattlemen's Association is able to continue our outreach for youth in the cattle industry.

If you have questions regarding donations or would like to be a meal sponsor please contact us at 859-278-0899 or by email at juniors@kycattle.org.

Thank you, we look forward to working with you!

Gratefully,

Addie White
2021 KJCA Secretary
